07.00 pm	<p>Get together on GatherTown</p> <p>Meet your friends in the EMGS Beach Castle! GatherTown is a tool for digital meetings, which resembles old-school video games. It has been created to simulate real-life social activities and small group exchange. After entering you create an avatar and see a short tutorial, which explains how to operate. You can control your avatar by using the arrow keys. Some objects you encounter can be activated by using the "X" key. If your avatar meets another avatar, you automatically start a video chat. In the rooms on the left side from the starting point, some social games can be played together with your colleagues. Since GatherTown works with your browser, please make sure that in your browser settings microphone and camera are activated. It is recommended to use Chrome or Firefox.</p> <p>Here is also a guide: https://drive.google.com/file/d/1QPYe1feR9SrtAjQDImZm2yaBpzVCt1Vn/view</p>	<p>https://gather.town/invite?token=h7zqGllK6hz78NuXPBHREQinAsoEYOpy</p>
